2012 Accomplishments

Donate for a Cause’s primary program converts fractional vacation ownerships into grants for United States non-profit organizations. We are happy to report continued growth in grants. 2012 marks another record year, we received 2,017 donated properties and provided $387,659 in grants to 364 non-profit organizations. These grants benefited a wide range of causes including developing treatments for dangerous disease, providing food and shelter those in need, support for religious organizations, and expanding educational opportunities for future generations.
